How Are You Different?

NAME: _____

Write about what makes you different from other people you know. How do you think this will affect your life?

Well, Umm.. I'm different from every one else because every one is different. and Im different from my family by being left handed. (the only problem is, I don't know if I'm left footed or not! (no pun intended)) I think this will affect how I write and do things because I have a different hand to write with! (probably the only benefit is if im shaking hands with another left hander.)

48000 × 51 = 2448000

48000 × 54000 = 2592000000

534000 + 3600 = 537600

537600 + 24000 = 561600

561600 + 2700 = 564300
